

Dear friend,

As we reflect on 2025, we are filled with gratitude for the incredible support you've provided helping make a significant impact "enriching lives of the less fortunate with meaningful hope" to Africa (being the poorest continent in the world, with the lowest GDP per capita and the highest percentage of people living in extreme poverty).

Some of those accomplishments are as follows:

Continued Support for 89 Orphans in Malawi, Africa: Through your generosity, we've continued to provide shelter, education, food, and care for 89 orphans in Dedza Community. Your support has helped provide stability and hope for these children, allowing them to build a brighter future.

Ongoing Commitment for 280 Vulnerable Children in Zambia, Africa: We provide full support for grade school children, including uniforms, school space rental, teacher salaries, lunch programs, etc. in the Mulenga compound of Kitwe.

One Girl One Promise : For comprehensive support/funding to teen mothers and sexually abused girls, including education, psychological support, and health services. Key goals include rehabilitating teen mothers, setting up skills centers, and expanding facilities and resources to better support their needs.

Victimized Women's Center in Lusaka & Kitwe, Zambia: We've helped to develop women's centers to offer support, safety, and empowerment to victimized women in the Bauleni compound of Lusaka and expanded to the Mulenga compound of Kitwe. These centers, with now over 200 women in regular attendance, find this space to be one of healing, literacy/education, skill-building, and business and entrepreneurship opportunities, giving these women the chance to rebuild their lives with dignity and purpose.

As we move into 2026, we are energized to expand our reach and accelerate our work. We hope you'll continue partnering with us as we take on bold new goals.

Some of our upcoming goals include:

Purchasing Land for Orphans we Support in Dedza, Malawi: We are fundraising to purchase a plot of land for the orphans in Dedza to enable them to farm their own food. This initiative will provide them with valuable skills, a sense of self-reliance, and long-term sustainability. *Estimated cost is \$ 5,000.*

Advancing "One Girl, One Promise" in Blantyre, Malawi: We plan to support even more girls through our One Girl, One Promise initiative focused on teenage mothers with unfortunate and heartbreaking stories. Our support provides housing next to their school, a hired caretaker, books, uniforms, meals, etc. *Figured cost per teen girl is \$ 100 per month support.*

Expanding the Victimized Women's Ministry in Zambia: The need for a safe haven for victimized women continues to grow. We're asking for support to expand our ministries in Bauleni & Mulenga compounds and beyond, as many women are on the waiting list. *Figured cost per woman is \$ 50 per month support.*

Providing Secondary Education to exemplary orphaned girls in Malawi: We desire to send some of our exemplary girls in our programs to a premier primary secondary school in Lilongwe to Good Soil Academy with education (some of the very best in the country), full room and board, and truly an opportunity of a lifetime. *Figured cost per teen girl \$ 250 per month support.*

Ongoing wells to be drilled in needy communities of Malawi: In an effort to provide sustainable access to clean water. In 2024, we successfully drilled a well for the Leonard Village, improving the lives of countless families by eliminating the need to travel long distances for clean water. Our desire is to repeat that successful and blessed work. *Each well drilled costs an average of \$ 7,500.*

Provide an opportunity for chosen orphaned Secondary School graduates to receive continued education at the Central Africa Baptist University in Kitwe, Zambia: We currently have 5 eligible students and hope to fund their full education, housing, and meals for these less fortunate deserving ones. *Figured cost per university student is \$ 375 per month support.*

Thank you SO much for believing in our mission and standing with us in 2025! Your continued support has made a world of difference, and we are immensely **grateful** and **humbled** for your partnership. As we look ahead to 2026, we are so excited about all that we can accomplish together. 100% of all funding received goes directly to these causes. On behalf of all of us at Promised Land Foundation, we wish you and your family a very **Merry Christmas** filled with peace, joy, and hope for the new year ahead.
